DEDICATION

We, the class of 1975, dedicate this book to Mr. Peter Staszko, a man who has consistently devoted his life to educating the youth of Enfield. In the classroom Mr. Staszko's very special ability for learning and growing with his students left memorable impressions on all he taught. His warm-hearted personality, coupled with the experience and guidance he shared, has earned him unfailing respect from fellow teachers, parents, and students alike. Upon his retirement in June 1974, Mr. Staszko reached a milestone of 39 years in the teaching profession. In honoring him we acknowledge his many contributions and wish him many years of happiness ahead.

"Live for something. Do good and leave behind you a monument of virtue that the storm of time can never destroy. Write your name in kindness...on the hearts of thousands you come in contact with each year; you will never be forgotten."

Chalmers

A TRIBUTE TO . . .

. . . Mr. Ralph Cerrato who greatly assisted our class as the administrative advisor during our junior year. We are thankful for the time, hard work, and suggestions that pointed us toward a successful senior year and a memorable time at Fermi High.

. . . Dr. Franklin Gross who is the man responsible for the progressive curriculum in our Social Studies Department. He has been instrumental to the development of the Lamplighters Drama group, and is the advisor to the nationally recognized Fermi '76 bicentennial program.

. . . Mrs. Carol Albert, former physical education teacher and coach at Fermi, who was fundamental to the growth of girls' interscholastic sports, bringing statewide recognition to our school and developing high standards of performance and spirit among her players.

. . . Mr. Richard Kisiel, former housemaster, who guided many of our students and aided us in a variety of student activities. His enthusiasm, efficiency and involvement will long be remembered.

"You can inspire in youth a love of knowledge, and make all its avenues look delightful. You can unlock the books, which are treasure houses of human wisdom, and give them a golden key . . . You can create a love of investigation and give it direction. You can enlarge the knowledge of the people in common things and thus lay the foundation of common sense."

Principal

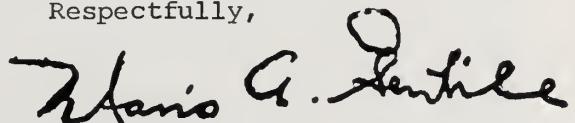

To the Graduating Class of 1975

In bidding farewell to you of the class of 1975, I hope you depart with fond and lasting memories of Fermi High School, ready and eager to meet the new challenges which await you. We will miss your laughter and enthusiasm for life, but we will recognize your spirit in the lives of other students whose leaders and examples you have been.

As you enter one of the many crossroads in your life, keep alive the memories from Fermi High School, but meet the future with great anticipation and self confidence. On life's journey may you always look up, keeping your eyes on the good, pure, and honest, while striving to rid the world of hatred, poverty and apathy. Take time to discover the happiness within yourselves instead of chasing the elusive excitement that keeps itself just out of reach. Give your ambition and dedication to each task you put your hand to, and success will be yours.

Best wishes for a prosperous future.

Respectfully,

Mario A. Gentile

GUIDANCE

The Enrico Fermi Guidance Department's primary objective is to offer services to the students. The school counselor assists students with educational and vocational planning along with the opportunity to discuss personal plans for the present and the future as well. The guidance office also furnishes information about the world of work, educational programs and agencies which supplement the services of the school.

Standing: Mr. David Shea, Mr. Arthur Benoit. *Seated:* Mr. David Wing, Mrs. Catherine Warren, Mr. Malcolm Davis.

PHYSICAL EDUCATION

Left to Right: Mr. Joseph Nuccio, Miss Rosemary Sullivan, Mrs. Lora Arnold, Mr. Robert Lengyel.

The Physical Education Department has developed a selective program which has been offered for 3 years. Students meet 5 days a week and participate in various units of activity for a designated period of time. Physical Education is no longer a recreational period at Fermi High, but we feel it is a learning experience geared to the development of lifetime sports and physical fitness. Realizing the system is not perfect, we are continually changing and improving the program in the hope that more students can and will enjoy activity.

Good luck to the Class of '75

FAMILY LIVING AND CONSUMER EDUCATION

"Education is not something in the air, cut off from the daily life of the student or from his future work as a citizen. Real education, it is felt, must be based on the actual environment and experiences of the child, and must fit him for the work he will have to do in life-after."

INDUSTRIAL EDUCATION

From Left to Right: Mr. Scudieri, Mr. Frank Tokas, Mr. James Hodrinsky, Mr. Gary Fairwood, Mr. Harry Romer

Mr. James Hodrinsky, Department Head

Industrial Education is an activity-oriented curriculum area concerned with problems of an industrial nature, and how to solve these problems. This may be accomplished by recognizing and defining problems, thinking critically and objectively about them and acting constructively and creatively toward their solution.

ENGLISH DEPARTMENT

Standing — Left to Right: Miss Sharon Sullivan, Mrs. Esther Heffernan, Miss Mary Mackley, Mrs. Carolyn Lewis, Miss Laura Baione, Miss Rose Porcello, Mrs. Carole Jonaitis, Mrs. Janet Fox. *Seated — Left to Right:* Mrs. Eleanor Hines, Mr. Paul Raymond, Miss Mary Malley, Mr. Robert Kelleher, Miss Mary Ann Fonseca. *Missing From Picture:* Ms. Linda Lazarus.

The English curriculum has been designed by the instructors in the department to help students be effective in the many uses of the language. In the required writing courses, it is intended that the instruction and concentrated practice will lead to clear and persuasive expression of students' knowledge and creative thoughts. Elective courses in many types of literature give students the opportunity to learn, interpret, and apply the thoughts, as well as the writing style, of established writers of the past and present. To make it possible for all students to achieve these goals, a wide variety of course materials and teaching methods must be used.

It is hoped that the curriculum will help students to be skilled and at ease in communication, whether they are speaking or listening, reading or writing.

Miss Mary Malley, Department Chairman

ART DEPARTMENT

Left to Right: Mrs. Jane Docker, Mr. Robert Foley, Mrs. Barbara Early.

"Man's life differs from that of most other organisms in that individualization has become more important to him than strict conformity to type. Individual capacity, viewpoint, choice and action are qualities that make us human. Self-expression, as manifested in art, distinguishes individuals as well as cultures. The artist's product makes the man unique as much as his thumb print and signature single him out. Art gives voice to the self."

BUSINESS DEPARTMENT

Standing — Left to Right: Mr. Paul Bisestum, Mr. Richard Gray, Miss Terletto Jones, Mr. James Laudato, Mrs. Henrietta Montagna, Mrs. Anne Gorham, Miss Darlene Wilson, Mr. Anthony Pessolano, Mr. Antonio Batista. *Seated — Left to Right:* Mrs. Carol Mayo, Miss Pamela Gates, Mrs. Marilyn Bertrand, Miss Andrea Russo. *Missing from Picture:* Mrs. Theresa Lecrenski, Mrs. Genevieve Murphy.

Mrs. Henrietta Montagna, Department Head

The Business Education Department provides an opportunity for students to develop a marketable skill in the fields of Secretarial Science, Bookkeeping, Clerical, Distribution, or Data Processing. The department also offers students opportunities to prepare for a two or four year program beyond high school in the fields of Accounting, Business Administration, or Secretarial Science.

Emphasis is placed on the value of social contacts, the importance of civic responsibility, and the need for a well-adjusted personality. This is possible through such organizations as Distributive Education Clubs of America and Fermi Chapter of the Future Business Leaders of America which function as extensions of all Business Education classes.

FOREIGN LANGUAGE DEPARTMENT

Mr. Raymond Mercik, Department Head

The Foreign Language Department realizes the importance of being bi-lingual in today's ever changing world.

In recognition of this, we offer all students sequential programs in French, German, Italian and Spanish where they can study the language, literature, culture, and history of these languages. Listening, speaking, reading and writing are done at all levels in varying degrees of emphasis.

Latin has been included in our curriculum once again as students seek a better cultural understanding of classical antiquity and its implications in our present world.

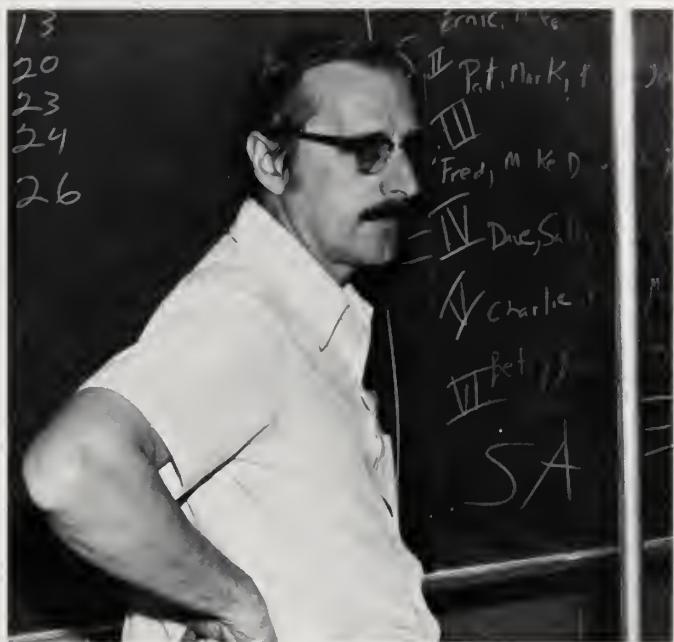

Left to Right: Mrs. Ingrid Young, Mr. Raymond Mercik, Miss Deborah De Pietro, Mr. Lawrence Wood, Mrs. Teresa Bueker, Mr. Vladmiro Orefice.

SCIENCE DEPARTMENT

Mr. Dwain Poulin, Department Head

The ten members of the Enrico Fermi High School science staff hope that they have served these two purposes: helped the student to ask thoughtful questions as well as attempt to find a better way to answer them.

First Row: Mrs. Florence Lyons, Mr. Francis Rago, Mr. Brian Dolley, Mr. James Cherry, Mr. Dwain Poulin. Second Row: Mr. James Yankee, Mr. Stuart Geffner, Mr. Steven Olson, Mr. John Kouba.

MATHEMATICS DEPARTMENT

First Row: (Left to Right) Mrs. Mary Holmes, Miss Sadie Falbo, Miss Carol Labutis, Mrs. Lenora Hilinski, Mrs. Lynn Pasco. Second Row: Mr. Kendall Owens, Mr. Eugene Ryzcek, Mr. Joseph Scherr, Mr. William Barker.

Mr. Joseph Scherr, Department Head

The mathematics curriculum is designed to meet student needs and interests. We feel that the variety in courses offered to all students will better prepare them for their post-high school plans. — The Mathematics Department

Left to Right: Jackie Wells (Treasurer); Jean Cammilleri (Director of Activities); Carol Hayden (Historian); Michael Jones (President); Nancy Buiniskas (Vice President); Deborah Niner (Secretary).

Twelve years of our education, three of which were spent at Enrico Fermi High School, have come to an end. These past years have been spent in anticipation of a unique event — the graduation of the Class of 1975. Some may have experienced a certain anxiety in contemplating graduation; most, if not all, have awaited this event with anticipation, anticipation of the future.

All of us begin new lives upon graduation. Whether the fall of 1975 finds us in college, or in a career, our

lives will be greatly influenced by the years spent at Fermi High School. In either case, the key to our success in future years is to apply the knowledge we have learned as we pursue our goals.

We conclude our years as students of Fermi High School. As graduates we will treasure fond memories of times past.

Coach Rosemary Sullivan

In any team sport, if the team is to function effectively, all members must work well together. As our season progressed, each individual learned to give of herself to help the team and feel the unity develop among the entire squad.

Our season record of 7 wins — 4 losses — 2 ties shows the ability of the team to work together for a common goal: a Fermi victory.

For the second straight year, the team qualified for the CIAC State Field Hockey Tournament. Winning 62% of their games, the team was ranked 15th in the Class A division of play.

Top — Coach R. Sullivan; Bottom Left to Right — Co-Captain Diane Teske and Co-Captain Debbie Bourque.

The talent of our five graduating seniors will certainly be missed, but the developing skills displayed on our J.V. squad are commendable, and should put the Fermi field hockey team into the 1975 State Tournament again next fall. I congratulate the girls on their efforts this '74-'75 season and say I am already anticipating the next season of play.

Miss R. Sullivan, Coach

Winning, losing, happiness, and sadness are all elements of the game of football. But what does football mean? Hard work, guts, and pride in the real meaning of football. Football is when a league of men come to battle on a common ground and demonstrate power. This power is superiority and this superiority is pride. Pride not only in ourselves but in our families and the school for which we stand. When the last contest is over, and wins and losses are forgotten, our pride remains and our school still stands. And most important we live our lives with the friends, knowledge, and the pride which this game has bred.

All good things must have a starting point. This season was the beginning of a fine soccer team.

Our record of 4 wins, 10 losses, and 0 ties does not really tell the true story. With the exception of two games, our soccer team played exceptionally well, losing most of our games by only one or two goals.

Next year, our players will have had a little more experience and are expected to make a good showing of themselves.

It is always a pleasure to work with athletes so ready, willing, and able to perform.

GIRLS' SWIM TEAM 74-75

GIRLS' SWIM TEAM Row 1: Diane Suleski, Peggy Maher, Lynda Lucey, Darlene Bower, Sandy Noonan, MaryAnn Drennan, Kathy King (Co-Capt.). Row 2: Joanne Daley, Debi Douville, Mary McCusker, Terry Curtis, Nanci Goodrow, Sharon Hartley, Kathy Mon, Sue Pieper, Eileen Quinn. Row 3: Peggy Sheak, Darlene Ainsworth, Kathy Duren, Rachel Morin, Patty Healey, Mary Micciulla, Donna Gonzalez (co-capt.).

The girls' swim team made outstanding strides in its effort to increase its win-loss record. As always, the final outcome is not an indication of the hard work and perseverance which is required to complete a competitive schedule.

The team, co-captained by seniors Kathy King and Donna Gonzalez, enjoyed a 3-8-1 record. The two captains developed and encouraged the comradeship necessary in any sport. They created a good personality balance leading to good rapport which solidified the team. Their contributions in their respective swimming events were also important factors in their ability to lead.

Other performances by seniors Debi Douville and Kathy Duren will be greatly missed next year. The dedication and effort of senior Joanne Daley, who began her swimming career as a manager in her sophomore year, was an inspiration to all newcomers to the team.

Six swimmers met qualifying times for the state sectionals: Donna Gonzalez in the 200yd and 400 yd freestyle events; Diane Suleski in the 400 yd freestyle; Kathy Duren in the 50 yd and the 100 yd butterfly; Sandy Noonan in the 50 yd and the 100 yd breaststroke; Debi Douville in the 100 yd breaststroke and the 200 yd individual medley.

Sophomore diver Mary McCusker performed in the state diving preliminaries at Hamden High School and is looking forward to a promising career on the team.

The juniors and sophomores provided the core of the team. Performers to look forward to next year and were highlights of this year's team are Sandy Noonan, Kathy Mon, and Mary McCusker to name a few.

COACH AND CAPTAINS — Coach Ro Sullivan, Co-captain Gayle Hutchinson, Co-captain Diane Teske.

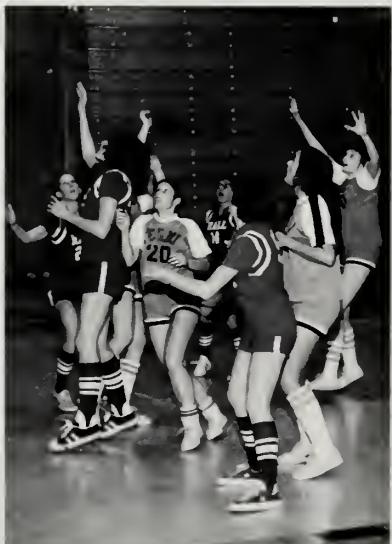

The 1974-1975 girls' basketball season was definitely a successful one, culminated by the team qualifying for the Class L State Tournament. The regular season record of 11-7 does not accurately convey the high caliber of play against strong league teams and the skillful determination maintained by the girls throughout the Season.

High points of the season included wins over Enfield High and Penney High, who previously had consistently beaten Fermi in basketball. In tournament play the team ranked 21st in a field of 25 Class L schools. In their 60-51 defeat to 12th ranked West Haven, the team effort and competitiveness were highly commendable. The high scoring talents of seniors Debbie Bourque (season total: 332 points) and Co-Capt. Gayle Hutchinson (215 pts.) will be missed next season as will the ball handling skills of Lynne Delay and Co-Capt. Diane Teske.

The JV team compiled a 9-7 record and gained valuable basketball experience as well as individual growth throughout the season which should be key elements in another successful varsity season in 1975-76.

The underclassmen join me in wishing the seniors the best of luck next year. Miss Sullivan.

The swimming team finished this season with a 10 win, 5 loss dual meet record and placed fifth in the CCIL championship meet. Seven of the eleven school records were broken this year. Senior tri-captain Jim Ottman was involved in four of the seven records. Individually, Jim broke the school record in the 100 yard freestyle (54:9), 200 yard freestyle (1:59:9), and the 500 yard freestyle (5:30:3). Jim Ottman, Joe Annis, Tom Frigon and Dave Burn lowered the 400 freestyle relay record to 3:45:8. Mike Slattery, Mike Healey, Tom Alexander and Tom Frigon lowered the 200 yard medley relay time to 1:52:34. Tom Alexander lowered his own record in the 100 yard butterfly event to 1:00:8. Mike Slattery broke Jay Beigel's record in the 100 yard backstroke with a time of 1:06:4.

Junior Mike Healey was the only swimmer to qualify for the state championship, doing so in the 100 yard breaststroke (1:09:24).

BOYS' BASKETBALL '75

1975 VARSITY BASKETBALL TEAM: (Left To Right) Ken Morris, Chuck Puleri, John Mayo, Jim Lemeris, Jerry Lepore, Coach Tom Snipe, Coach Dave Shea, Bill Baskerville, Dave Laraway (co-capt.), Jeff Starr, Mike Drennan, Bob Francoeur, Jim Sheehan (co-capt.). Kneeling: Mike Scavatto, manager. Missing from picture: Keith Patenaude.

The Fermi High Basketball Team finished the 1974-1975 season with an 8-12 record. The season was rather disappointing, since the team had a minimum goal of at least qualifying for the post-season tournament which requires a .500 season. The 8-12 record is identical to the previous year's record when the team was comprised mostly of juniors.

This year's team consisted mostly of returning seniors, 8 in all. While experience was a Falcon advantage, being a new entry in a strong league turned out to be Fermi's biggest obstacle. The C.C.I.L., or Central Connecticut Interscholastic League, besides being new, was a well balanced league. Actually, a team could defeat any other team on a given night. This is indicated by the Falcons' close ballgames, including five losses by 3 points or less. These types of losses led to a dismal 3-11 record at one time, but the Falcons bounced back to take their last 5 out of 6!

We graduating seniors have the utmost respect for the returning underclassmen. We spent much of our hard hours of practice with them, and we would like to wish all of them the best of luck in 75-76.

Any wrestling team in its second year of infancy, that enters the CCIL faces highly skilled and well disciplined opponents. The true test of a team is not whether they win or lose; its the manner in which they face the challenges ahead, always giving one hundred percent, yet accepting the ultimate decision with a clear conscience and a feeling of pride and accomplishment.

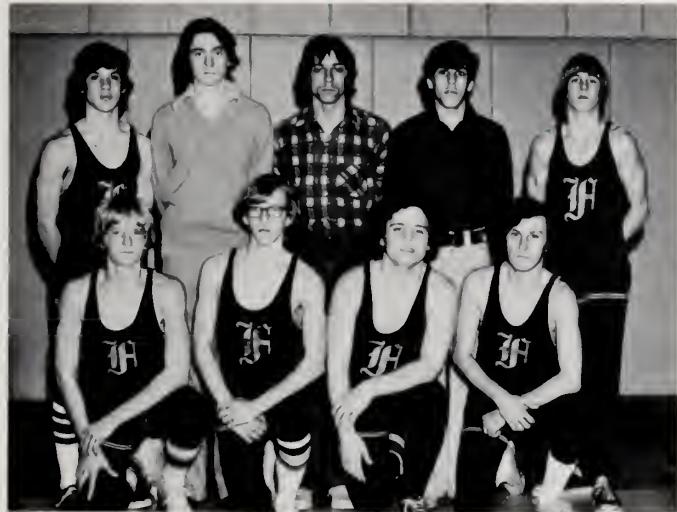

The Fermi wrestlers have displayed this attitude in all that they have done. Their spirit, effort, and conduct is unsurpassed within the league. Recognition and praise was constantly awarded them from parents, teachers, and opposing team members and coaches in reference to their improvement from last year. A record of 4-12 does not do justice to a team that possesses these fine qualities.

As much as I would like to, I as coach, cannot accept full credit for the team's progress. The majority of the credit belongs our two Co-captains, Vance Sawamura and Rich Marks. When leadership of such a high calibre is displayed from two young men like Vance and Rich, it makes my job much easier. Credit must also be given to Greg Boyajian — not only for the best record of the season (10-4-2) — but for tremendous cooperation and strong support.

My sincerest thanks and best wishes are with these three young men. My congratulations to the entire team for a very rewarding season.

The 1975 season saw not only the continued dominance over Enfield, but the addition of a home hockey rink.

The teamwork displayed on the ice by seniors, juniors, and sophomores plus the coaching of Ed Mantenuto saw Fermi go 8-0 in the CCIL and ranked 13th in the state.

The season's end also saw the combination of personal success and teamwork propel Fermi to the state quarter-finals.

Senior tri-captains Gary Cummings and Rick Lamagna placed 1-2 in the scoring race in which, even though he was lost for four straight games, Lamagna scored 39 points, just 11 behind Cummings 50. Senior tri-captain Joe Cannella, who Coach Mantenuto considers "the best penalty killer in the state" added scoring with defensive skills to help the team in tight spots. Senior Dix Jones' comeback to school was exemplary of the team spirit. Down at the other end of the ice, senior goalie Mark Angelica exhibited acrobatics and net-minding know-how while turning away numerous scoring attempts and maintaining a low goals-against average.

The final component of Fermi's first league champion team was the underclassmen. Led by clutch goaltending of junior Mike Cizeski, the defensive squad will remain intact for next year.

A Cheerleader must be able to convey her enthusiasm to the crowd through her expressions and smile. One of the hardest tasks is making the crowd want to cheer with you. That special glow called spirit is found within a cheerleader. But, everyone possesses the hidden enthusiasm for some facet of their life. A cheerleader just encourages that spirit.

"Hey fans — we have this many points."

"Have you seen their quarterback? . . . he's this tall."

"I don't remember . . . do I have my blues or not?"

"Oops! They caught me with my pom-poms down!"

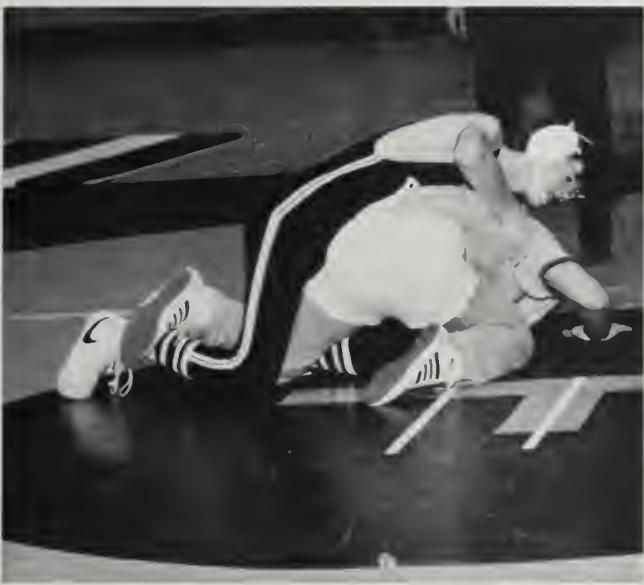

"I don't believe it, WE'RE winning!"

"Freeze! It's a hold up!"

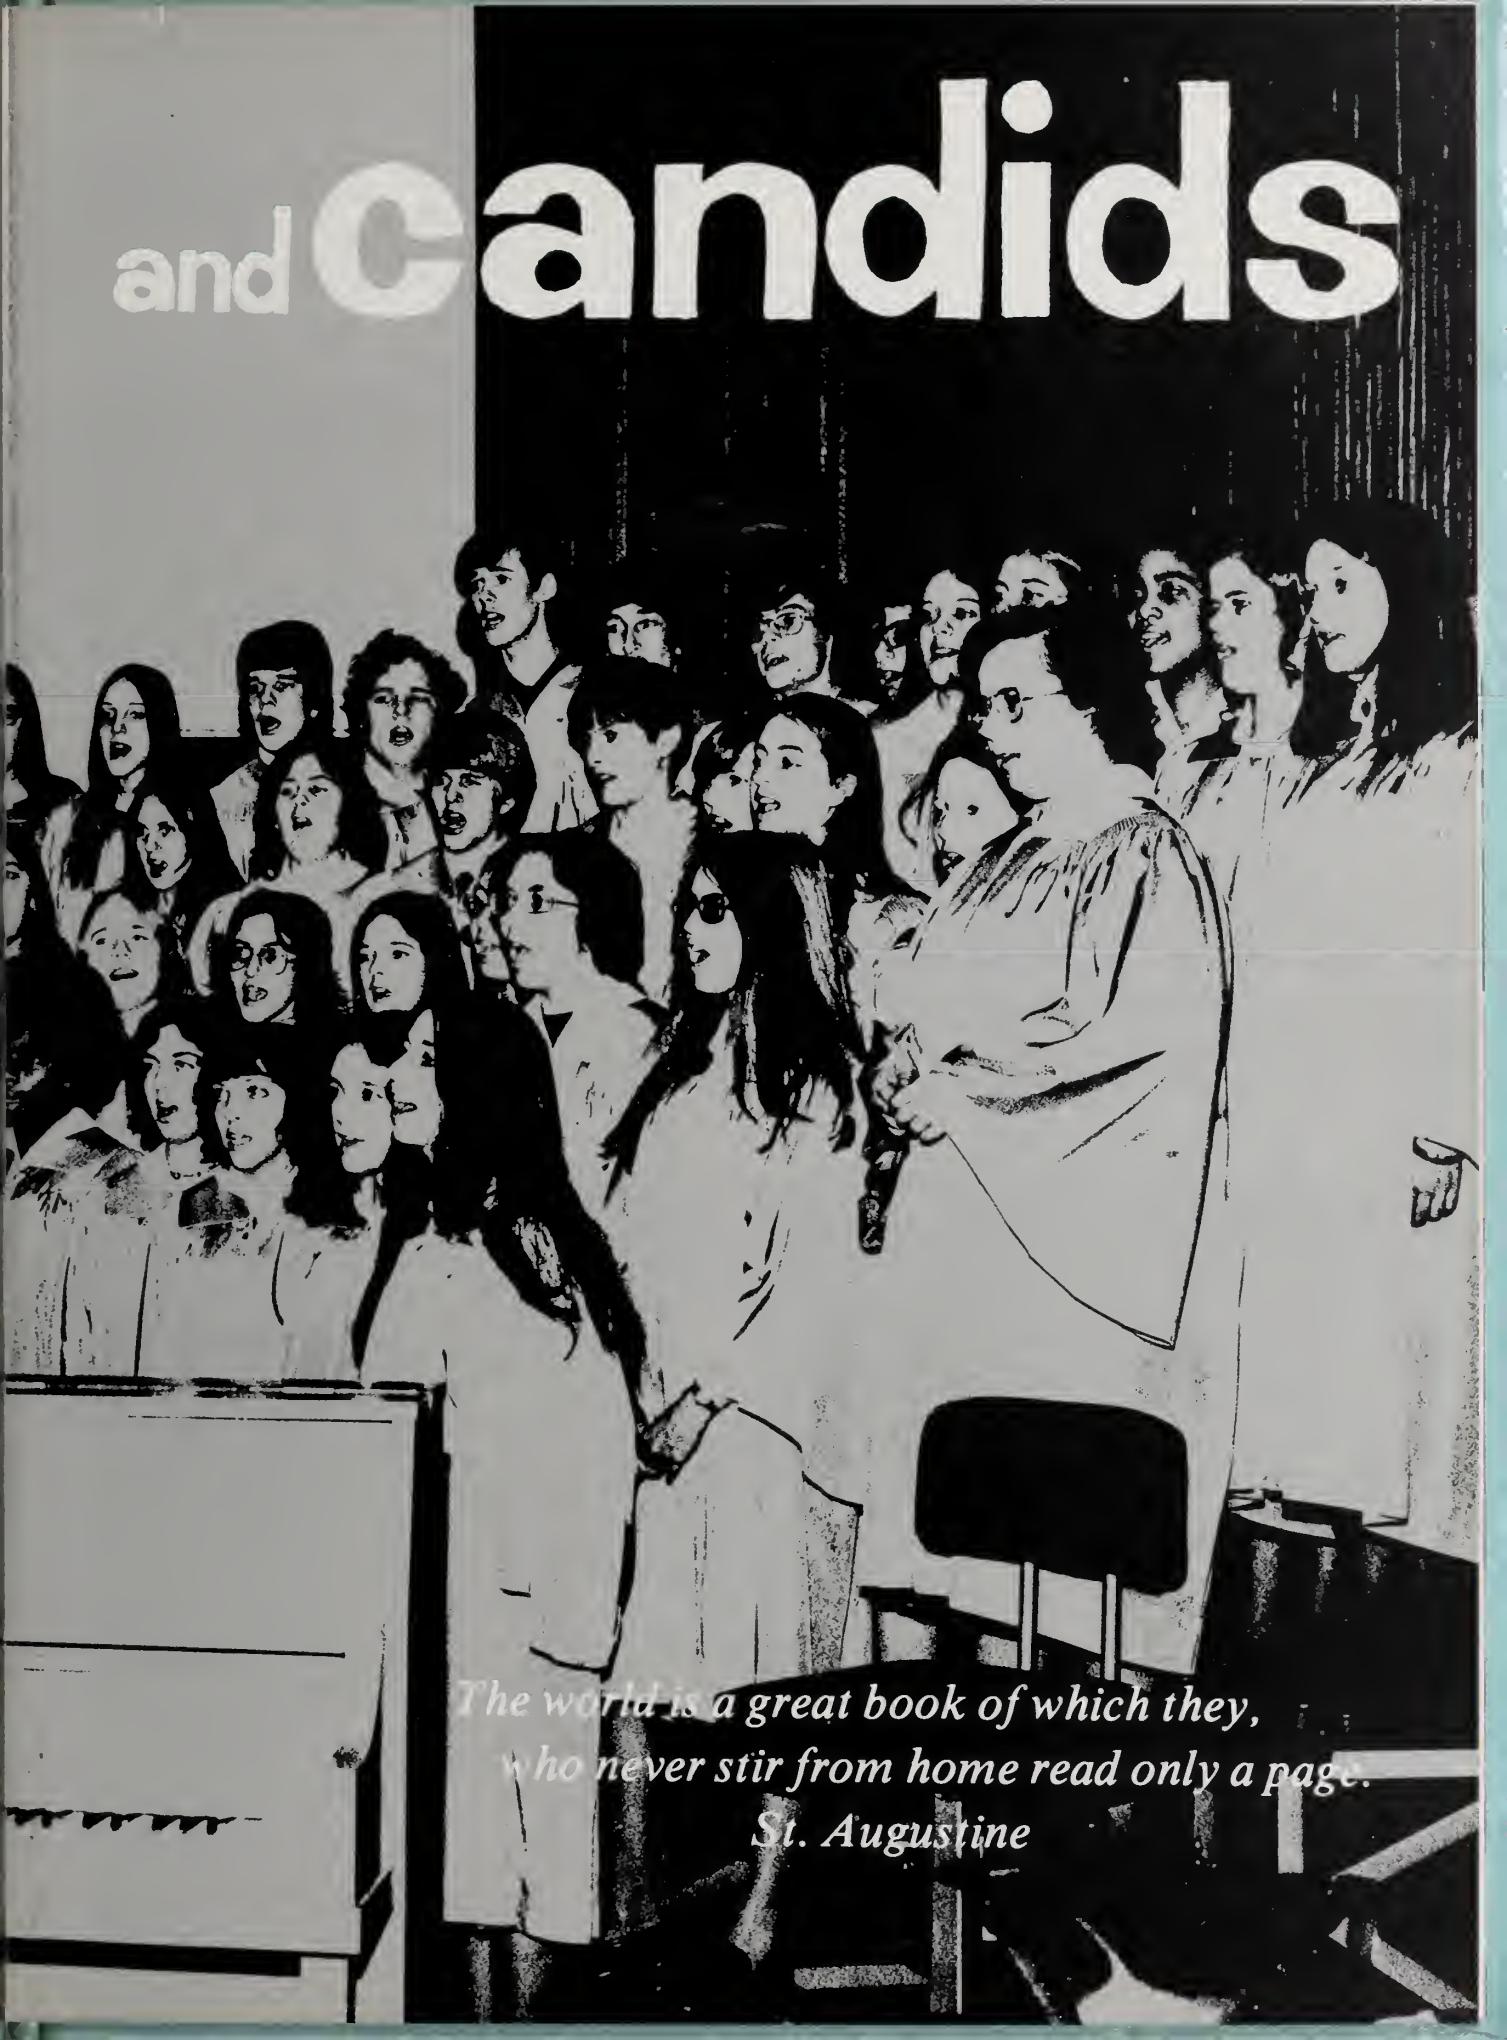

"That's all folks!"

Our Yearbook . . . a collection of the unique moments and special memories we shared together — as the 1975 graduating class of Enrico Fermi High School. These past three years, we've each individually planted the roots of our lives into the future . . . a future of which we are all very much a part.

This Yearbook — may it convey to you the importance and special diversity of our class. Here, as we reach the crossroads of our young lives, the past cannot be brought back, but the future is ours for the making.

Thank you,
The Yearbook Staff

*This day I realize
the world I knew is gone,
new seasons come
and change
the ground I've stood upon.*
